THE MARATHON WAY

NIRVANA IS..

THE FEELING WHEN EVERYTHING ALIGNS.

A THRIVING COMMUNITY.
A NEW GLOBAL AIRPORT.
THE FINAL, AND YET,
THE FINEST PHASE.

Welcome to the Nirvana Collection at Marathon Nexzone – the final chapter of Panvel's most loved townships.

We've delivered over 2500 homes in Panvel, and we've watched the location transform from a distant suburb to a thriving hotspot just 10 minutes from a world-class airport.

We have now set out to raise the bar with the Nirvana Collection. Inspired by the idea of Nirvana — a state of peace and fulfillment — this collection of residences is crafted to elevate the everyday.

THE PROJECT

NIRVANA IS..

THE VISION COMING TO LIFE.

Over two decades, we've built trust, delivered on promises, and created one of the most sought-after townships in the region.

25 acres, **16** towers. Over **2,500** homes delivered.

But to us Nexzone is more than these numbers.

Make shares it special is the people who've made it home and the community we've created.

We saw the tremendous potential of Panvel long before it became a hotspot - we were one of the first entrants. Today, with 1000's of happy families at Nexzone, we are immensely proud that our vision has turned into a thriving community.

"The best part of this project is the location they've chosen. I have seen the region completely changing in the last few years, and I'm sure three years down the line it's going to be completely different."

Laxman Kashyap,
Interior Designer & Nexzone Resident

"Your experience matters a lot. Certain projects give you positive vibes, this was one of them."

Jyotsna Kundnani,
Advocate & Nexzone Resident

MASTERPLAN

NIRVANA IS..

BEING IN THE RIGHT PLACE AT THE RIGHT TIME.

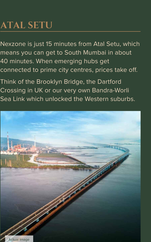
After years of being "the next big thing," Panvel is finally here — at the epicentre of India's real estate revolution.

With game-changing infrastructure taking shape, Panvel isn't just rising — it's leading.

NMIA

Just 10 minutes from Nexzone, Navi Mumbai International Airport (NMIA) is the beating heart of Panvel's transformation and will serve over 50mn passengers annually.

Across the globe there are many examples of cities being built around new airports across the globe — Incheon in Seoul, Schiphol in Amsterdam, and Changi in Singapore.



WHAT THIS MEANS FOR NEXZONE?

NMIA will trigger a domino effect of real estate growth, commercial activity, hospitality, and global connectivity. Homes in airport-adjacent zones typically witness faster value appreciation, premium infrastructure, and robust rental yields.

ATAL SETU

Nexzone is just 15 minutes from Atal Setu, which means you can get to South Mumbai in about 40 minutes. When emerging hubs get connected to prime city centres, prices take off.

Think of the Brooklyn Bridge, the Dartford Crossing in UK or our very own Bandra-Worli Sea Link which unlocked the Western suburbs.

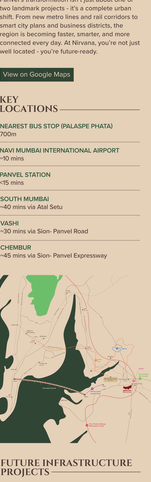
WHAT THIS MEANS FOR NEXZONE?

Property are expected to increase. If you check property prices of all locations that are 40 minutes from South Mumbai like Andheri or Chembur, Panvel has by-far the lowest property prices.

MUMBAI 3.0

A whole new mega-city with the Navi Mumbai Airport Influence Notified Area (NAINA) at its heart - a 600+ sq.km greenfield smart city being developed around the upcoming airport.

Envisioned as a self-contained city with education hubs, corporate parks, logistics hubs, healthcare, and housing - Mumbai 3.0 is where



WHAT THIS MEANS FOR NEXZONE?

Nexzone is one of the few ready, thriving townships within this influence zone. As Mumbai 3.0 rises, demand for well-connected homes will soar. That means greater appreciation, higher rental demand, and stronger long-term value for your investment.

NIRVANA IS..

KNOWING NO DISTANCE IS TOO FAR ANYMORE.

Panvel's transformation isn't just about one or two landmark projects - it's a complete urban shift. From new metro lines and rail corridors to smart city plans and business districts, the region is becoming faster, smarter, and more connected every day. At Nirvana, you're not just well located - you're future-ready.

NIRVANA IS...

KNOWING YOU'RE IN GOOD HANDS.

We don't outsource construction. We own it. That means total control over quality — no shortcuts, no compromises. While most developers hand it off to contractors, we're one of the few who build everything in-house.

	Typical	The Marathon Way
Construction Control	Outsourced. Quality varies.	In-house build. Full quality control.
Engineering Expertise	Limited experience	54+ years. Proven systems.
Formwork	Conventional shuttering. Slower. Less precise	MVAN aluminium formwork. Faster. Smoother. Stronger.
Structure	Segmented casting. More joints.	Monolithic casting. No joints. No weak spots.
Concrete Quality	External MC. Transit delays.	On-site batching. Pumped fresh within 30 mins.
Quality Testing	Quality depends on contractor.	On-site labs. Source-level checks.
Waterproofing	Basic waterproofing. Higher leak risk.	Acrylic systems + monolithic walls. High leak resistance.
Finishes	Cost-led finishes.	Premium materials. Long-lasting paints.
Safety	Meets minimum norms only.	Fire systems, low-smoke cables, multi-breakers, lift safety.

NIRVANA IS:

LEAVING BEHIND MORE THAN JUST MEMORIES.

At The Nirvana Collection, sustainability isn't an afterthought — it's a way of life. Nirvana is pre-registered for a Silver Rating by the Indian Green Building Council (IGBC) and is designed to reduce environmental impact while enhancing your everyday comfort. From EV charging to water recycling and solar lighting, every detail is a step toward a cleaner, greener future.

- Pre-registered for a Silver Rating by the Indian Green Building Council (IGBC)
- EV charging stations for an electric future
- Advanced water treatment systems (FRBR / MBR) for efficient reuse
- Eco-friendly materials & green-certified products in construction
- Drip irrigation for landscaped spaces
- Recycling & solid waste composters for reduced waste footprint
- Solar-powered common area lighting
- Astronomical timers to cut down energy usage
- Water-efficient plumbing & waterless urinals in common areas
- Overhead water tanks with gravity-based flow to reduce energy use
- Cycle stands & cycling tracks
- Centralized parking ramp to reduce vehicular movement and emissions

NIRVANA IS:

HAVING THE ANSWERS YOU NEED.

We believe clear, open communication builds lasting trust. At Nirvana, you'll be supported by a dedicated Relationship Manager from day one — to guide you through every step of your journey.

OUR CUSTOMER APP MAKES IT EASY TO:

- Check construction updates
- Access documents
- Track payments
- Raise queries
- View a 360 video of your specific flat
- Receive key updates directly on WhatsApp

DISCLAIMER:

Marathon Nexzone is developed by Sanvo Resorts Private Limited (a Marathon Group Company). The project is registered under the Real Estate (Regulation and Development) Act, 2016 ("RERA")

Details of all RERA-registered phases and towers of the project are available on the MahaRERA website at https://maharera.mahaonline.gov.in and on the official project website www.marathon.in/nexzone.

All intending allottees are advised to verify all project details, approvals, plans, specifications, amenities, and schedules as disclosed on the MahaRERA website from time to time.

All images, visuals, renders, walkthroughs, illustrations, drawings, photographs, furniture, fixtures, fittings, furnishings, décor elements, landscaping features, and artistic impressions shown in this brochure or any other promotional material are purely indicative and for representational purposes only and do not form part of the standard specifications of the apartment or the project unless specifically stated in the Agreement for Sale.

The furniture, materials, appliances, loose fittings, soft furnishings, décor elements, accessories, and interior styling shown in sample flats, rendered images, or visuals are not part of the offering and shall not be provided unless expressly mentioned in the Agreement for Sale.

Layouts, plans, elevations, dimensions, specifications, amenities, facilities, services, views, open spaces, and infrastructure shown are subject to variations, modifications, revisions, and approvals by the competent authorities and/or as may be required under applicable laws, rules, regulations, and development conditions.

Carpet areas, dimensions, and specifications of apartments are indicative and subject to permissible variations as allowed under RERA and as finally certified by the competent authority. The final carpet area and specifications shall be as stated in the registered Agreement for Sale.

Nothing contained herein shall constitute a legal offer, promise, representation, or commitment on the part of the Promoter. The Agreement for Sale, executed in accordance with RERA, shall alone govern the rights and obligations of the parties.
